V. SPECIAL ORDER OF BUSINESS:

- A. Discussion: We discussed what the final “product” would look like when we present our findings to the Board of Education. We were still left undecided on just hoe this will look, but we know we will have a format to present our findings to make it clear to the BOE.
- B. Discussed the timeline and any additional recommendations. Much discussion on the additional recommendations. As a committee, we realize there is much to be considered, but for the sake of the task at hand and the timelines to be met, it was agreed on the final recommendation as presented with additional information to the BOE to look at in the future.
