Parents of incoming freshmen:

Claremont HS will be hosting an Athletic Department orientation meeting for parents of incoming athletes on May 27, 2008 at 6:30 in the CHS Theater. The meeting is not mandatory and a meeting agenda will be listed on the CHS website www.claremonthigh.net (go to Athletics). The orientation meeting will include a variety of information about our athletic programs and a question and answer period. The meeting will not include specific dates or times for Summer and/or Fall programs. Information for Summer programs will be listed on the CHS website (www.claremonthigh.net) as it becomes available.

On May 29, 2008, CHS student-athlete representatives will be on campus during lunch at El Roble. At that time, we will distribute information about Summer athletic programs that will be available and/or have sign-up sheets for all athletic teams. If your son/daughter misses the sign-ups, please contact me.

We are offering Athletic physical exams for incoming Freshmen on June 2, 2008. Please refer to the [physical exam flyer](#) on the CHS website (www.claremonthigh.net) for more info and downloadable forms. Athletic physical exams are available to all incoming freshmen that participate in the 2008 CHS Athletic summer programs. Summer programs include Boys and Girls Basketball, Boys and Girls Water Polo, Football and Girls Volleyball.

For more CHS Athletics information, please refer to the CHS website, www.claremonthigh.net > Athletics > Incoming Freshmen, after May 19th.

Rick Dutton
CHS Athletic Director
