Dear Friend of the Arts,

On behalf of the Claremont Unified School District, thank you for your support of the Elementary Instrumental Music Program. This program enhances the lives of many children and provides a broad range of valuable skills, appreciation, and experiences associated with music.

Claremont Unified School District is pleased to be able to offer Elementary Instrumental Music to our students in grades four through six. Your donation will help us to provide the resources necessary for this program to succeed, including instruction, instruments and repairs, sheet music, and supplies.

To partner with CUSD to provide this valuable service to the students in our community, please complete the information on the next page and return with your contribution. All contributions are tax-deductible.
