Disability Insurance Coverage Highlights

Claremont Unified Active Employees

Your employer provides you with Disability insurance coverage from Standard Insurance Company (The Standard) that helps protect you against the loss of income that can occur should you be unable to work for an extended period due to a covered illness (including mental health conditions and substance abuse), injury, pregnancy or childbirth. Disability benefits can help with the everyday bills, like your mortgage and utilities that continue even when you can’t work – expenses that health insurance won’t cover. Below is a summary of the plan benefits.
